<input type="checkbox"/>	U.S. History In Context U.S. History In Context is an engaging online experience for those seeking contextual information on hundreds of the most significant people, events and topics in U.S. History. The new solution merges Gale's authoritative reference content with full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.	
<input type="checkbox"/>	Opposing Viewpoints In Context Opposing Viewpoints in Context is an engaging online experience for those seeking contextual information and opinions on hundreds of today's hottest social issues. Drawing on the acclaimed Greenhaven Press series, the new solution features continuously updated viewpoint articles, topic overviews, full-text magazines, academic journals, news articles, primary source documents, statistics, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.	
<input checked="" type="checkbox"/>	Gale Virtual Reference Library Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials once were accessible only in the library, but now you can access them online from the library or remotely 24/7. Because each library creates its own eBook collection, the content you see may vary if you use the database at different libraries (your school, your public library, or your office).

	Literature Resource Center - LRC Jan 2012 Find up-to-date biographical information, overviews, full-text literary criticism and reviews on more than 130,000 writers in all disciplines, from all time periods and from around the world. The optional MLA International Bibliography module adds citations for hundreds of thousands of books, articles and dissertations from 1926 to the present, linked to full text where available.	
	Global Issues in Context JANUARY, 2012 Global Issues in Context offers international viewpoints on a broad spectrum of global issues, topics, and current events. Featured are hundreds of continuously updated issue and country portals that bring together a variety of specially selected, highly relevant sources for analysis of social, political, military, economic, environmental, health, and cultural issues. Each of these gateway pages includes an overview, unique "perspectives" articles written by local experts, reference, periodical, primary source and statistical information. Rich multimedia - including podcasts, video, and interactive graphs - enhance each portal. Use Browse Issues and Topics, Country Finder, Basic Search or Advanced Search to explore the database.
